www.mercuryprint.ca

78-year-old family business with 25+ years experience in printing research posters...we've seen it ALL!!
Please read our Google reviews.

Conveniently next-door to RBC Place London.

Open weekdays 9am-5pm, closed Saturday and Sunday.

Send your poster in ahead of time either by email, or convenient online submittal tool (for larger files) and pick-up prior to entering conference. We also accept USB keys for those that wish to print on the spot.

Full colour Posters completed within 10-15 minutes. **Please provide full size PDF.** The pdf is your digital proof. **Please do not submit Powerpoint files as formatting issues as well as font mapping problems occur between Mac and Windows OS.** Pre-pay online or pay upon pickup. Payment accepted over phone as well. Payment receipts always provided.

The sizing and pricing below is what we suggest given the conferences size constraints:

Lightweight paper poster (single use) \$3 sqft (100% recyclable, including toner) with Satin toner (42" width max by whatever length) example 42"x42" (106.68cmx106.68cm) **\$39.00 + HST**

Heavyweight paper poster \$5 sqft (100% recyclable, including toner) with Satin toner (42" width max by whatever length) example 42"x42" (106.68cmx106.68cm) **\$65.00 + HST**

100# text gloss poster \$5 sqft (UV printed) (54" width by whatever length) example 42"x42" (106.68cmx106.68cm) **\$65.00 + HST**

Lamination of posters up to 50" width available on site (additional hour required) \$3 sqft additional charge (HST extra)

Hight speed small format printing available, same-day banner stands, large format scanning etc.

For CAHR 2024 Orders, we ask that all poster orders are submitted by Wednesday, April 24th at 3pm and pick-up is prior to 4:30pm on Thursday, April 25th.

If you have any questions, or concerns, please reach out to us.
